Facts

"7 Seals" means Fantasy Folk Power Metal at its best!

Shortly after their foundation in 2005, "7 Seals" release their Demo-EP "Mooncurse", which receives several very good reviews. "7 Seals" soon becomes an experienced and well-booked live band, playing numerous club and festival shows..

For their first full-length album, "7 Seals" decide to melodize a monumental historical-mythological epic: The Nibelung!

For about one hour you will be guided through the world of Sifrit, Hagen and Krimhilt - through the Land of the Burgundy!

You will be told about treasures and treachery, about tragedy and fate!
